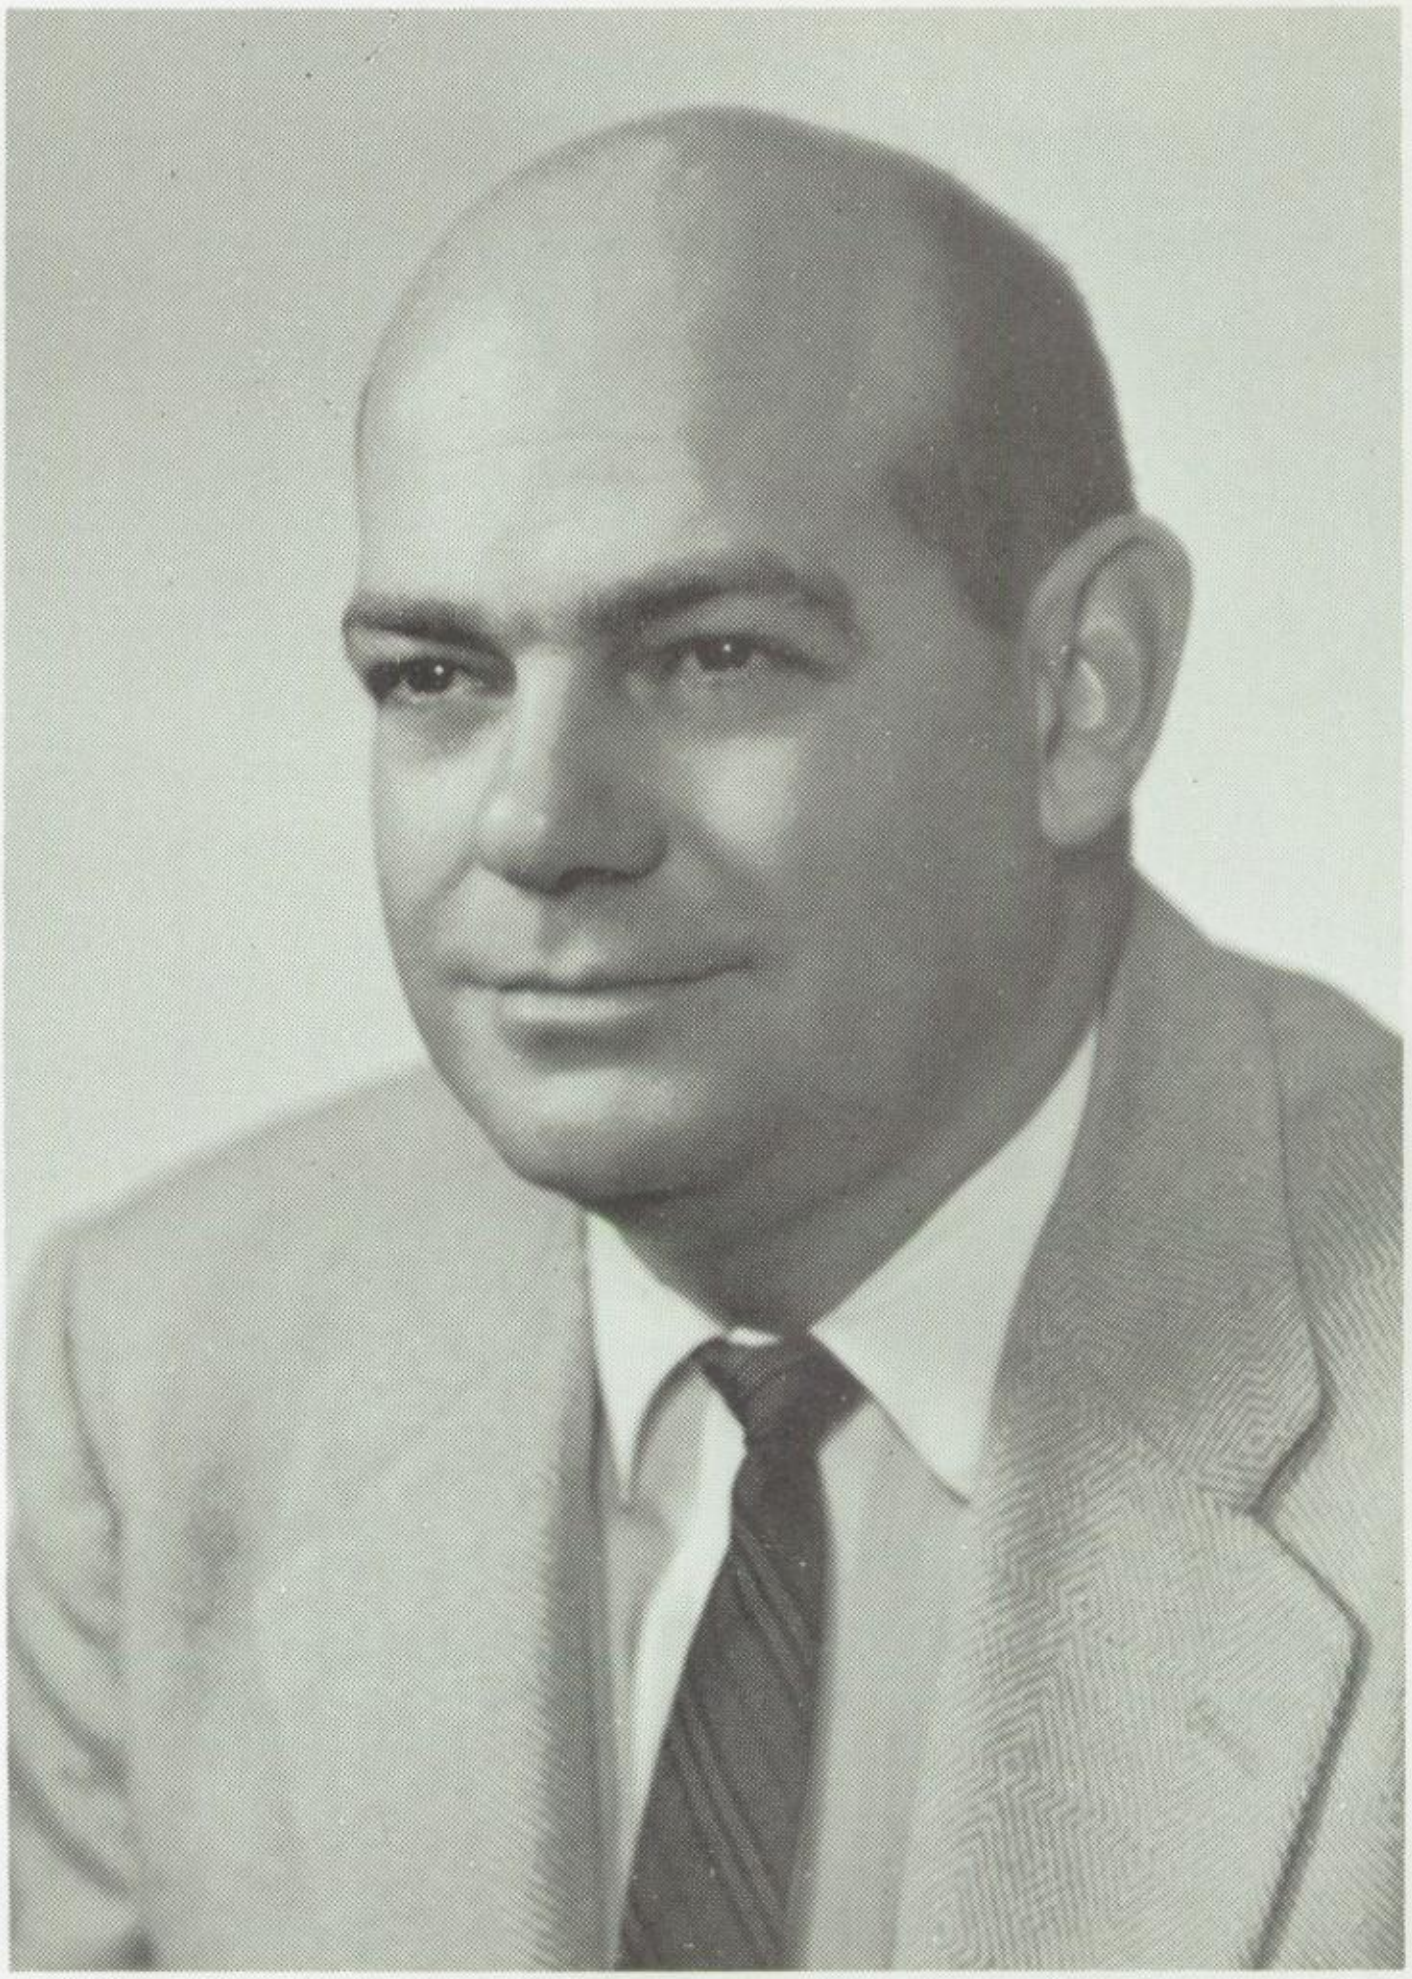
DEDICATION



LESTER C. GRACE

DEDICATION

The fall of 1957 was the year you joined the faculty and became a friend of many students at Maumee Valley through the years. Although it is the boys who have had the fortunate opportunity of getting to know you better, everyone, both boys and girls, has gained by association with you.

You have a profound belief in the inherent goodness of all young people, which is evident at all times, especially to those who come to you for advice and counseling. You have done much to keep a healthy spirit at, and gain respect for, our school.

We, the class of 1964, therefore dedicate the 1964 Weather Vane to you and will remember you, Lester C. Grace, as the man who brought a warm, friendly spirit to Maumee Valley.

Class of 1964

LETTER FROM THE HEADMASTER

TO THE CLASS OF 1964

You have received a good education these past four years, one which stressed academic excellence and the development of those qualities of personal character which are vital ingredients in the making of alert, useful, and responsible citizens. You have learned your lessons well and each of you will soon be one of the millions of young Americans attending college. Remember the great privilege that is yours. Realizing the great challenges facing you, learn to recognize, to develop, and to maintain excellence at every point in your lives.

To each of you, my warmest regards and a sincere wish for future happiness and success.

Gordon T. Schofield
Headmaster

IN APPRECIATION

The Senior Class of 1964 would like to express its sincere appreciation to our Headmaster, Gordon T. Schofield, for the interest and friendship he has shown us during the four years he has been at Maumee Valley.

Since we are the first class to complete high school under his leadership, we feel that we have come to know Mr. Schofield and his policies better than previous classes and have profited greatly from this experience.

We leave Maumee Valley voicing our gratitude to Mr. Schofield and secure in the understanding that future classes will have in him a great friend and fine administrator.

Student Council

This year, under the leadership of President Joe Ryan, the Student Council has been very active in both school and Area functions. While sponsoring the annual student exchange program, the "March of Dimes", the Area Student Council Dance, and a College Panel, the Council strengthened the effectiveness of student proctored study halls and discussed the possibility of an honor system. In the Council-sponsored Safety Slogan Contest held throughout the city, Mark Kapel of the eighth grade submitted the winning slogan, "Safety Pays in Many Ways."

Dave Hallenbeck edited the "Thomahawk" during 1963-1964 with the help of his associate editors Alice Applebaum, Maryl Gearhart, Margie Willey, Joey Jacobs, Jim Fellabaum, and Bev Thierwechter. Articles expressing the students views on today's political and social problems along with the sports and activities articles added excitement to the paper and aroused controversy.

Mr. Chapman devoted one day each week to advising the Chess Club. Its members compose our Chess Team which belongs to one of the two chess leagues in the city and enters into competition with other schools. A ladder system was used to determine the Varsity team which consisted of Avery, Smith, Blackstone, Schofield, Leverette, and Bressler. Mr. Chapman feels that our position would have been better if we had started competitive matches at the beginning of the year. However, our team was about in the middle of the league. Along with the Varsity, there was a Junior High team which entered competition.

Investment Club

The Investment Club gathered during the year to discuss current trends on the Stock Market. At each meeting the Club allowed itself one hundred dollars for each member present, and then invested the total in one or two stocks which they thought would be successful. At the next meeting they found out how much they would have gained or lost if they had actually invested the money. The Club also sponsored its annual Stock Market Contest open to all the students of the school.

Russian Club

The members of the Russian Club met with Mr. Stranahan twice a week throughout the year to learn the language of the Soviets. They began by mastering an entirely new and complicated alphabet and later developed a slight speaking and writing knowledge of the language. The Club proved both fun and educational to all.

The Creative Writing Club held informal meetings at the members' homes where individuals' poems, short stories, and essays were read and discussed. By the criticism he or she received each member hoped to improve his style of writing.

Varsity Football

The 1963 football team was the only MV team to be in the Lake Shore League, consisting of four Cleveland teams and us. The schedule was the toughest in the history of Maumee Valley. However, MV finished in the middle of the league, with Gilmour and Lutheran West ahead. Dick Browne, Scott Steketee, and Doug Harder all received honorable mention All League.

Unfortunately, the 1963 team had two disadvantages over which it had no control and which hampered its success. The first was the shortage of boys in the high school and the second was the many injuries occuring in the season. There were more injuries in this season than in the previous six put together.

Tri-captains Doug Harder, Lynn Mesnard, and Dick Browne led the team throughout the season and helped Coaches McCoy and Grace work with the younger players. On offense quarterback Jim Fellabaum could vary his attack by going either through, around, or over the defense. With Lynn Mesnard and Dick Browne the Mohawks could grind it out up the middle while Phillipps and Wolfe were constant threats as pass receivers. In the defensive backfield Doug Harder, Jim Fellabaum, and Gary Robinson harried the offense by blitzing and shifting often. Linemen Steketee, Wittman, and Van Gunten put a quick rush on opposing quarterbacks.

Highlights of the season were a smashing 38 to 0 victory over Woodville and a 8 to 0 victory over Hawken while the Park, Grosse Pointe, and Lutheran East games were excitingly close but victorious. Perhaps the team played best in the first half of the sixth game, holding the highly rated Gilmour to only six points.

Soccer

The 1963 soccer team finished off the season with a 3-4-1 record, greatly improved from the previous two seasons. The relative success of the team in addition to the added facilities of a new soccer field and portable bleachers drew an increasing number of spectators to the games and scrimmages.

The final game of the year against Hawken School of Cleveland was the high point of the season. Hawken had been highly-ranked and proved to be the toughest competition encountered all year. Coach Jim Donnelly planned for the attack by moving two extra men to defensive positions. The Mohawks scored their single winning point during a goal-line fracas involving Paul Sutherland, Dave Hallenbeck, and Joe Ryan.

All but two of the starting standouts were seniors. Center halfback Bruce Sweeny was the key of the defense while Joe Ryan and sophomore Andy Roberts provided most of the ball handling ability. Fullback Randy Haid's kicking power and the speed of wings Paul Sutherland and Dan Morgenroth contributed to co-ordinated teamwork. Dave Hallenbeck's scoring ability coupled with the skills of halfback D'Arcy Didier and sophomore goalie Phil Chambers also brought about a much improved season.

Taking precautions in view of next year's soccer team, Coach Donnelly substituted freely in the season's games and developed a depth which will be a definite asset to us in the future. Because of this, many of the younger boys who showed marked improvement from last season should prove their worth next fall.

1963-64 varsity basketball was a disappointment to Coach Douglas MacDonald as eleven boys of the best potential in the history of M.V. basketball came through with a seasonal won-loss standing of 5 and 12. Although the basketball squad encountered some stiff competition in the Lake Shore League, many of the losses were to teams of less potential and greater scrap. In several instances the defeats were by only several points as teams such as Cleveland Lutheran East on two occasions eked out victories in overtime. The varsity, posting early-season wins over Hawken and Grosse Pointe, was rocked by discouraging mid-season losses and later was defeated by these same two teams.

Standouts for the season were Seniors captain Jim Petrarca and all-tournament player Tom Phillipps, Junior John Corry, and Sophomore Andy Roberts.

OXFORD, O., May 11—Maumee Valley Country Day School, making a rare appearance in an open high school event, finished fourth in the Class A division of the Miami Relays here today.

MVCDS Captures League Track Title

Special to The Blade

CLEVELAND, O., May 22 Maumee Valley Country Day School's well-balanced track team had little trouble winning the Lake Shore League track championship yesterday behind the sizzling 3:36 effort by their outstanding mile relay team.

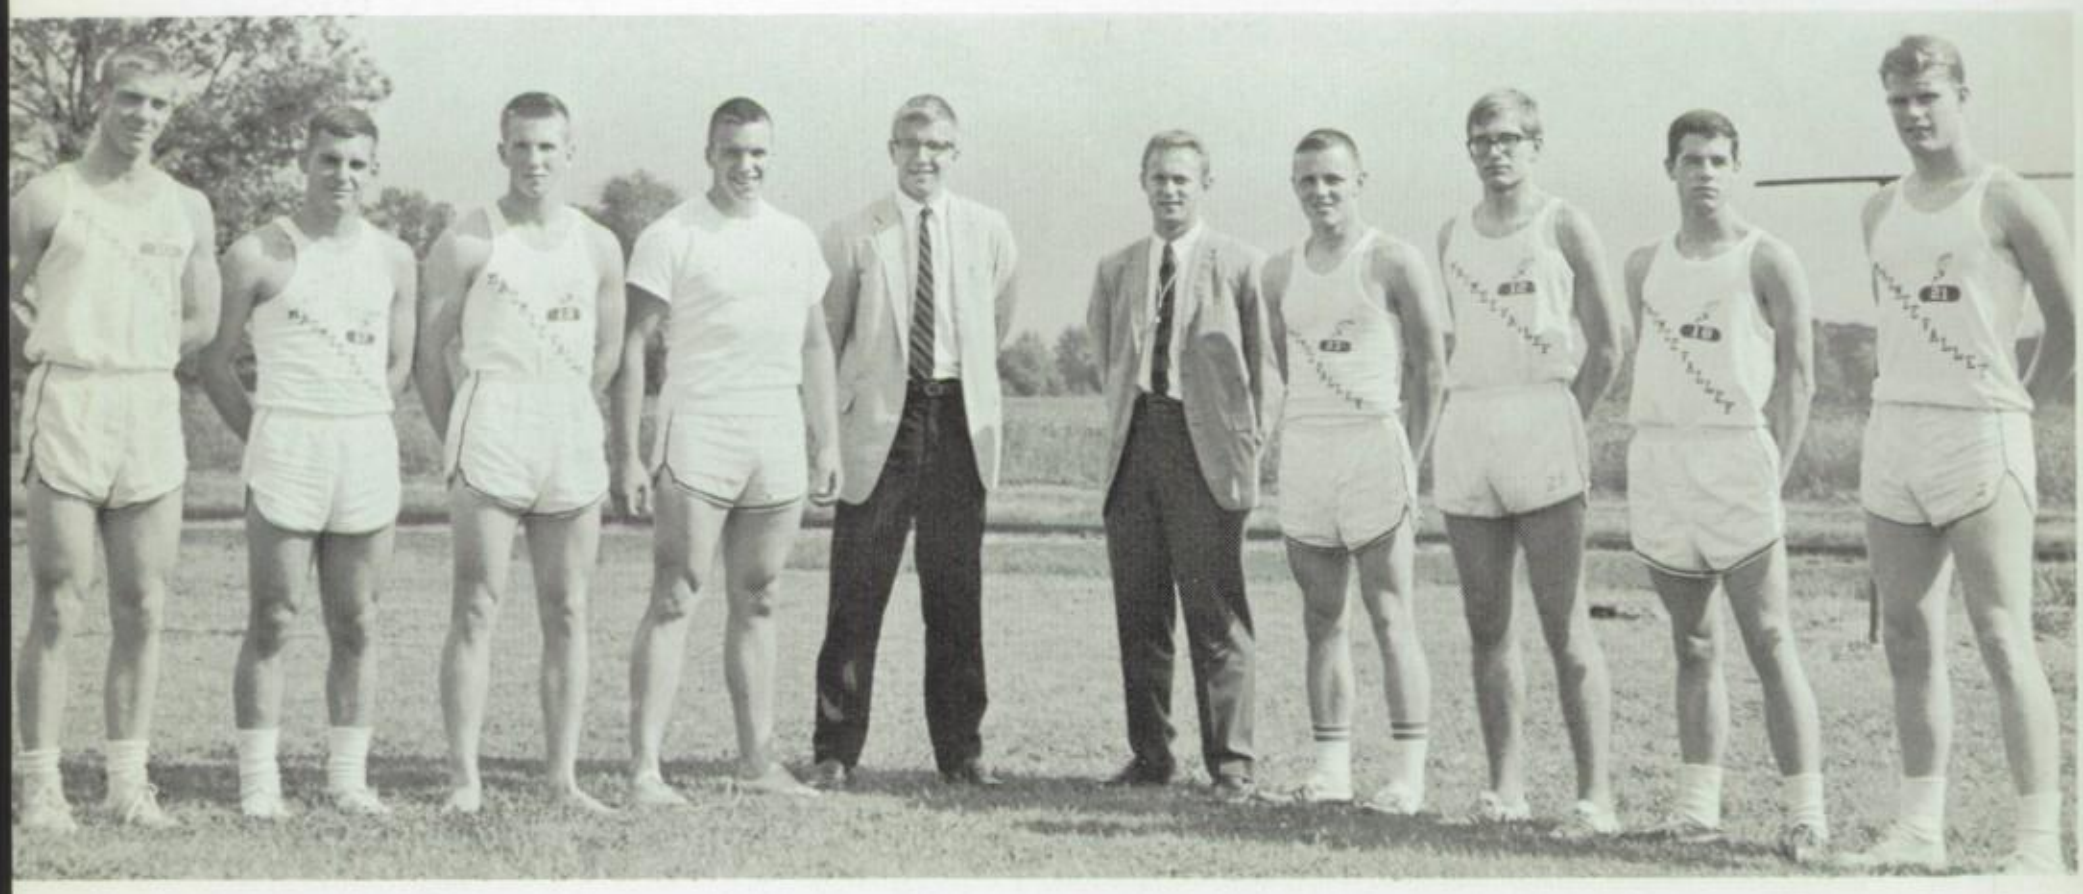
First Row: Coach McCoy, A. Roberts, B. Feniger, P. Sutherland, C. Wolfe, R. Newcomb, R. Fowler, D. Morgenroth, J. Schwab, P. Chambers, J. Ryan.
Second Row: D. Whipple, G. Robinson, T. Phillipps, L. Mesnard, T. Belt, D. Browne, T. Curtiss, D. Harder, J. Petrarca, J. Barthold, M. Briley, Coach Johnson.

Track And Field

The 1963 track team was the best in the school's history. It went undefeated in all 8 meets, won the league title in Cleveland, took second in the Bryan Relays, and a fourth in the state wide Miami Relays. In all, it defeated a total of 38 out of 42 teams.

The team holds more school records than any other in MV's past. Six records were shattered while two more were tied. It had more depth than any other. In the 440, Wolfe and Browne encountered their first and only defeat in two years. The mile relay team broke the school record and then carried its undefeated status to three years. The speed relay team broke the school record but ironically accepted its only defeat since track began at MV. For the first time the school was exceptionally strong in the distance events. Joe Ryan again broke his own mile record and three runners, led by Lynn Mesnard, broke the previous half mile mark.

John Schwab, Dan Morgenroth, and Tom Phillipps were the most versatile team members, each competing well in four events every meet. However, no one or two individuals could possibly have given the team its fine record. The success was due to a greater team effort than in past years.



The record holding 880 and mile relay teams: Morgenroth, Schwab, Phillipps, Barthold, Coaches Johnson and McCoy, Wolfe, Browne, Sutherland, Briley.

Half-milers Mesnard and Belt.

Schwab and Morgenroth show winning form.

Joe Ryan, mile record holder.

BASEBALL

The 1963 Maumee Valley baseball team enjoyed its second straight winning season, compiling a 9-5 record. The team's fine hitting was the main reason for this year's success. Led by Woody Gardiner's .448, Scott Steketee's .400, and Jim Fellabaum's .391 batting averages, the Mohawks pounded out 106 hits, 82 runs batted in and had a credible team average of .292.

The team did hit well in a clutch, however, and averaged seven runs per game to only 4.7 for their opponents. The Mohawk baseballers were also one of the fastest teams in school history. Averaging four stolen bases per game and 56 in all, the baseballers distracted many opposing pitchers. Jim Fellabaum led the team with fifteen stolen bases, followed by Woody Gardiner and Jim Saalfield.

Jim Fellabaum and Tom Little did most of the pitching while Woody Gardiner and D'Arcy Didier also saw mound action. Fellabaum had the best record standing at 5-1. However, Didier had the best game as he struck out ten opponents and walked only three in an MV victory over Northwood. Highlights of the year included a 10-9, 2-1 double-header victory over Park and a 30-2 trouncing of Fulton in which everyone easily upped their batting averages.

The entire infield will be back next year with Fellabaum and Didier pitching. The outfield jobs are open, however, with only "Moose" Esquith assured of a starting position. Missed will be graduating seniors Gardiner, Peckinpaugh, Little, Saalfield, and Dave Hart, but with six returning lettermen, the Mohawks have the nucleus for another good year.

The seniors: *Kneeling:* Saalfield, Hart. *Standing:* Peckinpaugh, Gardiner, Little.

Boys' Tennis

The 1963 boys' tennis team was a definite improvement over the previous season's. It managed a three won, three lost record while the team's singles players averaged 3.7 wins to only 2.0 losses.

With all the boys back, the prospects for the '64 season should be very successful. The new tennis courts, which are probably the best in the city, will assure the team more and better practice than ever before. Also, there will be more matches, perhaps ten to twelve, which will give more boys an opportunity to play more tennis than in previous years. In short, the future looks bright.

Girls' Tennis and Track Teams

The 1962-1963 Girls' Tennis and Track teams were successful. The Tennis team, coached by Mrs. Boss and Mr. Chapman, had an enjoyable season and scored a victory over Rogers.

The Track team met a much more rewarding second season. Under the excellent coaching of Mr. McCoy and Mrs. Boss the girls placed first at the Tri-Meet between Start, DeVilbiss, and Maumee Valley and fifth out of tenth at the Lake Meet.

Kneeling: Ann Burget, Lorraine DiMaio, Kathy Thomas, Eleanor Hight, Stephanie Thomas.

Blue Varsity Team

The tradition of the candle originated in 1934 and since then there has been a stiff rivalry between the Blue and the White teams for the possession of the trophy.

For the second year the Blue team has managed to pull the candle away from the unhappy White team. The two teams fought extremely hard through the hockey and volleyball seasons but the Blues managed to emerge victorious in both sports.

Left to right: Christy Andrews, Nancy McLean, Barb Scarbrough, Dale Shelton, Janet Abney, Jane Virtue, Cathy Griffing, Margie Dodd, Audrey Bohnengel, Captain, Peggy Mugfor, Becky Beres, Lynne Oakes, Joey Jacobs, Libby White, Lynne Jones, Patty Peckinpaugh, Sue Paryski.

Varsity Hockey Team

The 1963-1964 Hockey and Volleyball teams had successful seasons. Maumee Valley hosted a Play Day in hockey for six surrounding area schools and was delighted when the Varsity team, Captain—Kathy Thomas, placed first and the Junior Varsity team, Captain—Sally Harrison, placed second. The teams were able to bring back a victory from Perrysburg but unfortunately were forced to accept a defeat from Grosse Pointe.

The Volleyball teams, arranged by classes, were successful at Perrysburg but were defeated at Eastwood.

yes, you'll always be successful as far as your friends are concerned — I hope I'm one of them. You have such an engaging ~~personality~~ that you'll always have as many friends as you need. I don't think how much we flatter each other in a yearbook — well this isn't flattery - it's true, really! Yeah, Sciencd + Peg Leg were grand this year, n'est-ce pas, — I hope I can remember my Fiancé - after all - Mrs. H. didn't do any to good a job except with her songs.

What a wonderful Open World

Have you noticed schools like this on your travels? Probably, because new buildings are springing up everywhere. They are beautiful and functional structures with large glass areas to create an "open-world" atmosphere to eliminate the feeling of being boxed in.

Wherever you live, work, shop or travel, you'll find L·O·F Glass making it more enjoyable. In homes, motels, schools and stores. In offices and factories. In hospitals and churches. In cars, buses, trains and planes.

There's an L·O·F Glass that insulates windows. It's called *Thermopane*® insulating glass. Another subdues sun heat and glare. L·O·F Glass that makes automobiles safer. L·O·F Glass to do a thousand things.

And when anyone needs glass, there's an authority on it nearby—your local independent L·O·F Glass Distributor or Dealer. His name is in the telephone book Yellow Pages under "Glass". Call him.

Dear Heidi,

this year was O.K. We weren't terribly good afriends which is to bad. Maybe next year will be better. Hope so. Have fun this summer swimming in the sea-weed. Ha. Inverness is best & great.

Cathy Donnelly

Dear Heidi,
Hope you're getting plenty of sun this summer
& doing heaps of swimming.
Love Angela xxx

Heather Darling -
Being with you these years has made me very keen to know what makes you tick (i.e. psychologically speaking, of course, RS)

Dearest Kathy -

I've been pretty sneaky these last few months, haven't I? Not telling you about Bob & me, but I wanted to be sure before I said anything. Well, I am sure, & I'm very happy. Bob is a wonderful person - kind, gentle, sensitive, intelligent, humorous, & very much in love with me. He's also very much in love with you, because you're my friend, & he knows how much you mean to me. I'm so glad you're coming to visit us in February - we have so much to talk about, & I want you to meet Bob. I'm sure you'll like him.

Bob's birthday is on the 28th of December, & I'm planning a surprise party for him. Can you get here by the 27th? We'll have a lot of fun, I promise you.

Love,

Heather

P.S. Have you had your birthday yet? (I'm not sure when it is.)

Dearest Kathy -

Happy Birthday! I'm sorry I haven't written sooner, but I've been very busy with my new job & with Bob, of course. I'm sure you understand.

Bob is wonderful. He's very kind & gentle, & he makes me feel very special. He's also very handsome, don't you think? I'm so glad you like him. I knew you would.

I'm sorry I haven't been able to get down to see you since Christmas

Kicks are for Kids?,
AND SO ARE TRIX!

Stop wearing dead Grease Kid stuff, gotta admit though IT WORKS,
